

Rutland Southern Vermont Regional Airport Committee

February 23th, 2017

Attendance:

Brian Pinsonault, Charlie Rockwell, Jen Jacobs, Chris Reece, Carolyn Haley, Charles North.

Minutes:

EAA Events

- Young Eagles Rally Saturday, April 29th from 9am-12pm
- Young Eagles Rally Saturday, June 10th from 9am-12pm
- Possible EAA fly-in June 24th-25th
- Leaf Peeper Fly-in October 14th

Columbia Air Services news

- CAS recently installed new tile flooring and carpet in their main lobby. Future renovations include a new pilot's lounge/flight planning area.

Airport Operations Report

- Parallel Taxiway "A" Construction (Phase 1-4, May 1st-September 6th 108 days) (RWY 1-19 Closed for 6 days / 24hr shifts, 7/17-7/20, 7/24-7/27) (Taxiway "E" will be closed most of the time.)
- CHA will be doing an economic development plan for the airport.
- RC Club three day demonstration (Seeking FAA Approval) (Date yet to be determined but will be sometime in the late summer, early fall)
- Vegetation Control contract under review with the environmental agency for fence spraying
- Recently some suggestions have been made to alter the layout of the [KRUT](#) website. Some things I can edit, others I'll have to get an estimate to change.
- New security cameras up and running

Comments:

- Committee members request the opportunity to negotiate the terms of the 24hr shut down for the Taxiway "A" construction. The specific time when the shutdown begins could pose an effect on expected traffic for an annual summer event in Dorset.
