

# TRY A MAJOR DAY

## VERMONT TECH

**Williston** | November 20 & December 4, 2015

**Randolph Center** | May 6, 2016

FOR STUDENTS IN GRADES 10-12

➔ [vtc.edu/tamd](http://vtc.edu/tamd) | [tamd@vtc.edu](mailto:tamd@vtc.edu)

*Experience Vermont Tech programs first-hand!*

### VERMONT TECH

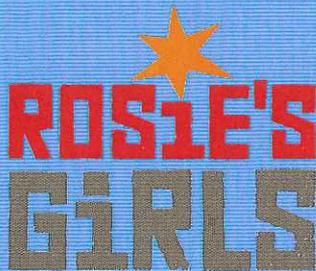

Teams of both middle and high school students (2 to 6 on a team) will construct bridges in advance of the competition — using only popsicle sticks, Elmer's glue, tooth picks, and dental floss. Bridges will be judged on aesthetics and originality of design, presentation, ultimate load carrying capacity, strength-to-weight ratio, and predicted failure point.

### Bridge Building Competition

FOR MIDDLE & HIGH SCHOOL STUDENTS

Vermont Tech | Randolph Center

April 1, 2016 ➔ [vtc.edu/bridge](http://vtc.edu/bridge)

**Rosie's Girls STEM Leadership Overnight Camp** — A fun, creative "hands-on" exploration summer camp. Activities and training help you learn about leadership, skilled trades, and the STEM fields (science, technology, engineering & math). A mentorship program follows the camp.

### STEM Leadership Overnight Camp

FOR GIRLS ENTERING GRADES 9-10

Vermont Tech | Randolph Center

June 20-24, 2016 **OR** July 11-15, 2016
