Agency of Transportation Invites Municipalities to Participate in Municipal Park and Ride Grant Program

Barre, Vt. – The Vermont Agency of Transportation (AOT) today announced that it is now accepting grant applications for the SFY 2025 Municipal Park and Ride Grant Program, which provides funding for improvements of small park and ride facilities in Vermont communities. These facilities will assist in the effort to reduce the number of single occupancy vehicles on the roadway, which in turn helps to reduce vehicle pollutants and traffic congestion.

A total of \$150,000 is available for this program for the 2025 state fiscal year. Applications are due via e-mail by August 20, 2024.
