**Agency of Transportation Announces More than \$11 Million in Municipal Awards
through Federally Funded Programs**

Barre, Vt. — The Vermont Agency of Transportation (AOT) today announced the recipients of more than \$11 million in federal funds for municipal grant projects through the Transportation Alternatives Program (TAP) and Municipal Highways and Stormwater Mitigation Program (MHSMP).

“These projects are essential for Vermont’s transportation infrastructure,” said Transportation Secretary Joe Flynn. “Improvements to sidewalks, bike paths, and shared-use paths provide Vermonters more transportation options and improve their quality of life.”

This year’s selected projects include:

Town	Location	Description
Bethel	Falcon Drive	Stormwater Improvements
Burlington	Rose Street / Cedar Street	Street Improvements
Fairfax	Main St (VT Route 104)	Sidewalk Phase 2 (additional funding)
Glover	1562 Dry Pond Road	Salt Shed
Grafton	Fisher Hill Road	Box Culvert Replacement
Jamaica	Goodaleville Road	Bank Stabilization
Ludlow	East Hill Road	Replace Culvert
Putney	Route 5	Putney Landing Pedestrian Walkway
Readsboro	Bosley Hill Road	Slope Stabilization

Rutland	Jackson Avenue and Avenue B	White Memorial Park Pedestrian Safety Improvements
South Burlington	Williston Road (US Route 2) between Kennedy Dr and Shunpike Rd	Sidewalk Segments
Springfield	Summer Hill Street	The Commons Park Subsurface Infiltration Chamber
Stratton	Stratton Mountain Access Road	Stratton Styles Brook Culvert 14A Replacement Scoping Study
Swanton	Canada Street at Grand Avenue	Street Improvements
Vergennes	West Street	Vergennes Salt Shed (additional funding)
Wardsboro	Sheldon Hill Road	Box Culvert Construction and Realignment
Weathersfield	Green Valley Road	Replace Culvert
Wilmington	13-78 East Main Street	Sidewalk Project (additional funding)
Windham	West Windham Road	Cobb Brook Bank Stabilization

The TAP and MHSMP scoring committee includes representatives from AOT, the Agency of Natural Resources, and the Vermont Association of Planning and Development Agencies.
