

Exciting Career Opportunities at the Vermont Agency of Transportation!!

Are you looking for a job in Transportation **Project Management**? Look no further...

The **AOT Project Manager I** position will be working in the Consultant Management Group of the Structures Section at the Agency of Transportation (VTrans). The position will be responsible for developing multiple bridge projects from conceptual plans through construction. Most assignments will require the position to manage and guide consultants in the design of Agency bridge projects while some may use in-house design staff. The incumbent will follow VTrans project develop processes, policies, manuals and guidelines and will utilize VTrans scheduling, project information and budgeting software supporting successful delivery of projects. Problem solving, communication and presentation skills are important, in addition to a technical background for overseeing design work, understanding/reviewing technical plans and specifications.

This position, **AOT Project Manager I (Job Requisition #3445)**, is open to all State employees and external applicants.

If you would like more information about this position, please contact Todd Sumner at (802) 917-2755.

Dedicated to supporting the VTrans Mission;

“To provide for the safe and efficient movement of people and goods”
