RE: Putney IM SCAL(19) Truck Weighing Scales (Phase II for Invited Vendors from Phase I)

RFP ADDENDUM #4

Subject: Question & Bid Period Extension, Electronic Bid Submission and Clarification of Eligible Bidders

Ladies and Gentlemen:

Due to the prevailing health climate and its impact on all aspects of business, the Putney IM SCAL(19) Truck Weighing Scales RFP Question submission deadline has been extended. All questions and requests shall be received no later than **2:00P.M. Monday, April 6, 2020**. All questions should be sent via email to danielle.tucker@vermont.gov.

In addition, VTrans is extending the proposal due date to **2:00 P.M., Monday, April 13, 2020**.

A further change is that **all proposals shall be submitted electronically via email**. Proposals may be emailed to danielle.tucker@vermont.gov. All paperwork required in physical submission must accompany electronic proposals as well. Should a proposal exceed the allotted attachment size, please split that proposal and number them in order of sequence.

In response to questions regarding who is eligible to submit proposals, we would like to clarify that this is a Phase II submittal Process. Only those contractors who submitted proposals and were invited to participate in Phase II may submit. Any other proposals outside of those selected vendors will be considered nonresponsive and not considered for award.

This Addendum #4 has been integrated into the Putney IM SCAL(19) Truck Weighing Scales.

Sincerely,

Danielle M. Tucker

Administrative Services Manager III
VTrans Contract Administration
