

2022 Small Scale HSIP Grant Program

Frequently Asked Questions

Can work be contracted?

Yes, towns may either contract for work or self-perform.

Are town labor hours reimbursable?

Yes, towns may apply this grant towards their crew's labor hours installing these treatments.

Does tree removal qualify for this grant?

Tree removal can qualify under "Remove fixed objects" if the effect is to widen the clear zone. Photos should be attached to applications.

Can towns use this grant for multiple locations?

Yes, towns may package multiple sites into a single application, subject to the \$35,000 per town cap.

Can towns apply for safety improvements not listed on the application?

No, the improvements listed in the Grant Guide and on the application are the only eligible items this year.

When is the deadline to complete work?

The expectation is to complete work by 9/30/24 (end of federal fiscal year 2024), with flexibility for extenuating circumstances.

Can the grant be used on Class 1 Town Highways?

Yes, all Town Highways are eligible for this grant.
