
Construction Update
Middlebury Bridge & Rail Project

The above photo shows progress on the fountain in Triangle Park. It is anticipated to be turned on during the dedication ceremony on August 21, 2021.

DATE: August 6, 2021

TRAFFIC IMPACT

Merchants Row will be closed to motorists on August 11 for milling work during the day. Parking in this area will be coned-off the night before. Sidewalks will remain open and all businesses accessible. Alternating one-lane traffic will occur on Main Street between Merchants Row and Seymour Street during the day on Thursday, August 12. Milling will take place overnight on Friday, August 13, on the Marble Works roadways. Construction of the new curb on Seymour Street will require occasional alternating one-lane traffic.

CONSTRUCTION ACTIVITIES

Construction for the Middlebury Bridge & Rail Project has been extended three weeks into early September to accommodate upgrades to Lazarus Park. Much of the upcoming work focuses on milling and paving the roadways in downtown Middlebury. Please see the above traffic impacts for details about milling work, road closures, alternating one-lane traffic. Paving will take place the week after next. Once the roadways are paved, they will be striped for parking. The bus stop in front of the Post Office is being relocated to the northbound lane on Main Street alongside Triangle Park.

In Triangle Park, the Waters crew plans to install the new fountain next week. It will be turned on during the Lazarus Park dedication ceremony on August 21. Kubricky has completed the south cap wall on Merchant's Row. Lafayette will reinstall the railing fence, and Landshapes will landscape the area along Battell drive.

OTHER ACTIVITIES

The Town of Middlebury plans to hold a dedication ceremony for the new park in Printer's Alley as construction winds down in the next few weeks. The park will be dedicated to the Lazarus family, whose department store occupied the site for most of the 20th century. The ceremony will be held on Saturday, August 21 at 12 PM. A community-wide celebration will be held in Downtown Middlebury following the ceremony.

LOCATION: Triangle Park, Printer's Alley, and Lazarus Park

PROJECTED COMPLETION: August 2021
