

Construction Update
Middlebury Bridge & Rail Project

The above photo shows a Kubricky crew paving the Printer's Alley walkway.

DATE: Friday, November 20, 2020

PROJECT TYPE: Construction of Rail Tunnel

LOCATION: VT Route 30 (Main Street) & Merchants Row, in downtown Middlebury in Addison County, VT

PROJECT DESCRIPTION: The Vermont Agency of Transportation (AOT), in collaboration with the Town of Middlebury, replaced two nearly 100 year old rail bridges in downtown Middlebury with a tunnel. The bridges were about 300 feet apart, with one located on Main Street/VT 30 and the other on Merchants Row.

CONSTRUCTION UPDATE:

- Kubricky continues to tie rebar on the northern end of the project.

- Lafayette will complete the installation of traffic signs.
- Crews will work a shortened week due to Thanksgiving. Construction will end by noon on Wednesday, November 25, and start again on Monday, November 30.
- There will be no construction update next week.
- We wish you a very happy, healthy, and safe Thanksgiving!

TRAFFIC IMPACTS:

- No traffic impacts are anticipated next week.

OTHER ACTIVITIES

- Santa and his elves are coming to Maple Landmark on Saturday, December 5, 2020, for a drive-through visit. The event will occur from 10AM - 5PM and include a family photo, a mailbox for letters to Santa, and a goodie bag. More information is available [here](#).

PLANNED PROJECT COMPLETION: 2021

A Kubricky crew is milling out a section of Main Street to improve stormwater flow downtown.
