It is important to report any issues in a timely manner so that VTrans has an opportunity to research the cause of the issue, complaints could include but are not limited to the following activity:

- Low flying aircraft
- Noise
- Suspicious activity

When contacting the Aeronautics Staff member, please include the following information:

- Time of Day
- Type aircraft (single or multiple engine)
- Class aircraft (rotary or fixed wing)
- Descriptive markings (colors)
- Tail number (on the tail of the aircraft)
- Your name, address and contact information.
- Cause of complaint
- How did this impact you

Following receipt of a complaint Aeronautics staff will contact you to discuss the situation and work towards resolution.
