

## PUBLIC NOTICE

**Vermont Agency of Transportation  
Disadvantaged Business Enterprise (DBE)  
Overall Annual Goal on FAA-Funded Projects  
For Fiscal Years October 1, 2024 through September 30, 2026**

Pursuant to US Department of Transportation regulations contained in 49 Code of Federal Regulations, Part 26, all state transportation agencies receiving US Department of Transportation financial assistance must establish overall percentage goals for the dollar value of work to be awarded to Disadvantaged Business Enterprises (DBE). This action has been deemed necessary in order to provide these businesses with the maximum opportunity to participate in the performance of contracts and subcontracts financed in whole or in part with federal funds. The Vermont Agency of Transportation is a recipient of US Department of Transportation financial assistance, and hereby establishes the following goal in accordance with these regulations:

**In FY 2024 – FY 2026, VTrans intends to expend 2.6% of the federal financial assistance received from the Federal Aviation Administration with small business concerns owned and controlled by socially and economically disadvantaged individuals (DBEs). VTrans estimates that we will meet 2.0% of the overall goal through race-neutral (RN) means and 0.6% through race-conscious (RC) program.**
