

PUBLIC NOTICE
Vermont Agency of Transportation
Disadvantaged Business Enterprise (DBE)
Overall Annual Goal on FHWA-Funded Projects
For Fiscal Years October 1, 2021 through September 30, 2024

Pursuant to US Department of Transportation regulations contained in 49 Code of Federal Regulations, Part 26, all state transportation agencies receiving Department of Transportation financial assistance must establish overall percentage goals for the dollar value of work to be awarded disadvantaged businesses. This action has been deemed necessary in order to provide these businesses the maximum opportunity to participate in the performance of contracts and subcontracts financed in whole or in part with federal funds. The Vermont Agency of Transportation is a recipient of US Department of Transportation financial assistance, and hereby establishes the following goal in accordance with these regulations:

In FY 2022 - 2024, the Vermont Agency of Transportation intends to expend 7.32% of the Federal financial assistance received from FHWA with small business concerns owned and controlled by socially and economically disadvantaged individuals (DBEs). The Vermont Agency of Transportation estimates that we will meet our entire overall goal of 7.32% through race-neutral participation, and that we will not have to resort to race-conscious measures.

Individuals who are interested in becoming a certified disadvantaged business enterprise in Vermont should contact:
