

# Do you live, work or travel along Route 7 in Milton and Georgia?

## We'd like to hear from you!

VTrans is working on a Corridor Plan for Route 7 between exit 17 in Colchester and exit 18 in Georgia and is collecting information about your needs and concerns along the roadway.

VTrans will then use this information to evaluate next steps and partnerships and identify practical short-term projects as well as longer term action items.

Please help us prioritize needs and concerns!  
Survey available through June 5, 2022
