

Vermont Agency of Transportation 2018 Turning Movement Count Report

This list of turning movement count sites shows the date of the most recent count done at the intersection between 2008 and 2018.

The turning movement count sites are sorted by Town, by VTrans ID.

Detailed count data for each site may be found in the VTrans Traffic Data Management System, a link to which is posted on the Traffic Data Webpage: [VTrans Traffic Data Webpage](#)
