Agency of Transportation Invites Municipalities to Participate in Road Grants Program

Barre, Vt. – The Vermont Agency of Transportation (AOT) invites municipalities to participate in the Municipal Roads, Grants-in-Aid Program, which provides funding for municipalities to implement best management practices (BMPs) in accordance with the Vermont Department of Environmental Conservation (DEC) Municipal Roads General Permit (MRGP).

Grants-in-Aid awards will be made available through AOT and will total approximately \$5.8 million dollars in this grant cycle. Municipalities will submit reimbursement requests directly to AOT for work completed, and AOT will reimburse up to 80% of the municipality's documented construction expenses, including in-kind support, for BMPs on hydrologically connected roads.

Municipalities must return a signed letter **by June 24, 2022** to be eligible.

Eligible BMPs according to the MRGP Standards:

- Grass and stone-lined drainage ditches and stone check-dams
- Turnouts, cross culverts, and other disconnection and infiltration practices
- Lowering of high road shoulders
- Installation or replacement of drainage culverts and driveway culverts on non-perennial streams within right of way and installation of culvert headwalls and outlet stabilization
- Stabilizing conveyance zones
- Addressing gully erosion on Class 4 roads
- Stabilizing catch basin outlets.

Details, documents, and the Initial Funding Offers are available on the [AOT website](#).
