**Agency of Transportation Invites Municipalities to Participate in Municipal Park-and-Ride Grant Program**

Barre, Vt. – The Vermont Agency of Transportation (AOT) today announced that it is now accepting grant applications for the SFY 2023 Municipal Park-and-Ride Grant Program, which provides funding for improvements of small park-and-ride facilities in Vermont communities. These facilities will assist in the effort of reducing the number of single occupancy vehicles on the roadway, which in turn helps to reduce vehicle pollutants and traffic congestion.

A total of \$215,275 is available for this program for the 2023 state fiscal year. Applications are due by e-mail by September 2, 2022.
