Agency of Transportation Announces 2022 Transportation Alternatives Program Grant Opportunity

Barre, Vt. — The Vermont Agency of Transportation (AOT) today announced that it is now accepting grant applications for the SFY 2022 Transportation Alternatives Program. This year, funding of approximately \$2.2 million is available for all eligible activities as described in the Vermont Transportation Alternatives Fall 2021 Application Guide at <http://vtrans.vermont.gov/highway/local-projects/transport-alt>.

Applications are due by e-mail by Wednesday, November 24, 2021.

A virtual informational workshop will be held to describe the requirements and address questions from participants. AOT strongly recommends that all applicants attend the workshop to better understand the requirements associated with federal-aid projects. The workshop will be held on October 5, 2021, from 10:00 to 11:30 a.m. Join by clicking on the link above at the time of the workshop. No password or pre-registration is required. Applicants may participate from any computer connected to the internet.
