

Construction Update Middlebury Bridge & Rail Project – Week of Dec 24-28

Next week will be a short work week for the Middlebury Bridge & Rail Project's contractor. They'll take a long holiday weekend, resuming work on Wednesday, December 26.

Travelers may experience minor, intermittent delays as construction vehicles enter and exit the work zone near Triangle Park at the corner of Main Street (Route 30) and Merchants Row.

For information on the project view the project website,
