

Construction Update Middlebury Bridge & Rail Project Week of September 17-21

Next week (Sept 17-21) work activity will occur outside the roadway as the construction crew continues excavation/drilling work needed to install a stormwater drainage system. There may be brief, intermittent delays as construction vehicles enter and exit the work zone at Triangle Park.

For information on the project view the project website,
<http://vtrans.vermont.gov/projects/middlebury>.

Best regards,

Jill
