

## Construction Update MIDDLEBURY Rail Bridges Project - Week of August 21, 2017

Hello,

As announced last Friday, Merchants Row is open! The contractor has now completed installation of both temporary bridges in downtown Middlebury, on Main Street as well as Merchants Row. Merchants Row is open to one-way traffic east up the hill to North/South Pleasant Street. All roads, public parking, and businesses are open as usual. Please see the map below.

The contractor Kubricky has been on site throughout the week putting finishing touches on the bridges and roadway.

Read more detailed descriptions of daily construction progress on the blog of Jim Gish, the Town of Middlebury's Community Liaison: <https://www.middleburybridges.org/>. Or visit the VTrans project website: <http://vtrans.vermont.gov/projects/middlebury>
