

Construction Update Middlebury Bridge & Rail Project – January 7-11

With the holidays over, it's back to a full work week for the contractor of the Middlebury Bridge & Rail Project.

Next week the contractor will be placing annular grout on all three drainage pipes and backfilling the launch pit to bring it up to grade. Truck traffic will be limited to Marble Works.

Any traffic delay on Main Street (Route 30) and Merchants Row will be limited and intermittent.

For information on the project view the project website,
<http://vtrans.vermont.gov/projects/middlebury>.

Best regards,

Jill
