

Q1 Which barrier color do you prefer?

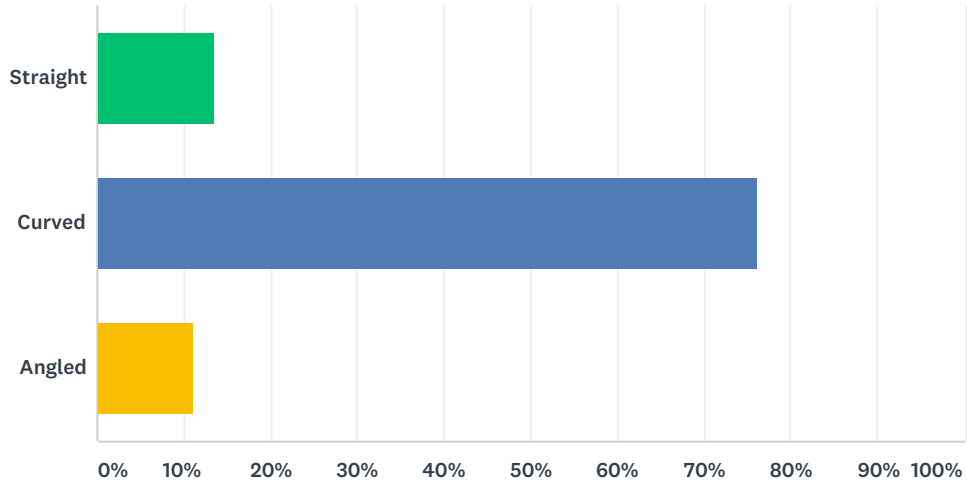

Answered: 596 Skipped: 0

ANSWER CHOICES	RESPONSES	
Black	29.87%	178
Green	70.13%	418
Total Respondents: 596		

Q2 Do you prefer a straight, curved, or angled upper barrier?

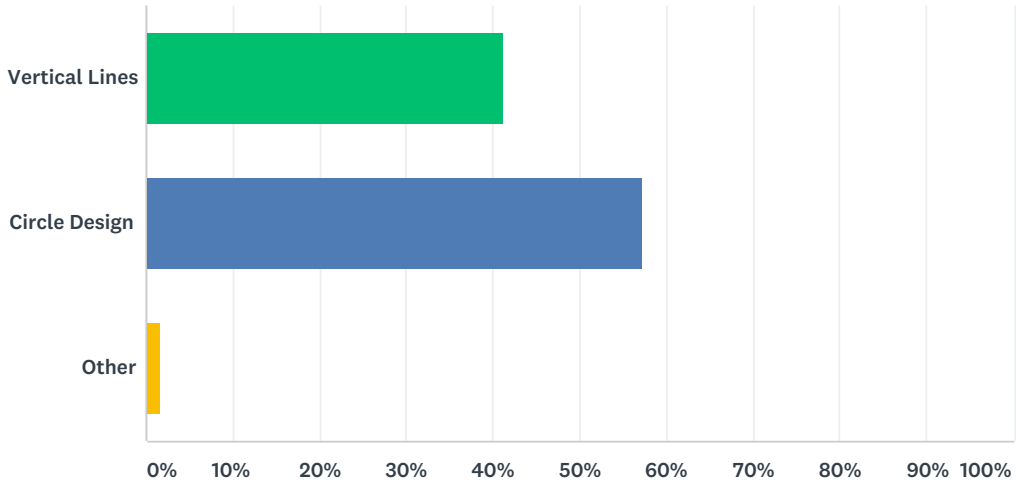

Answered: 596 Skipped: 0

ANSWER CHOICES	RESPONSES	
Straight	13.59%	81
Curved	76.17%	454
Angled	11.07%	66
Total Respondents: 596		

Q3 Do you prefer a lowered barrier with vertical lines or a circle design?

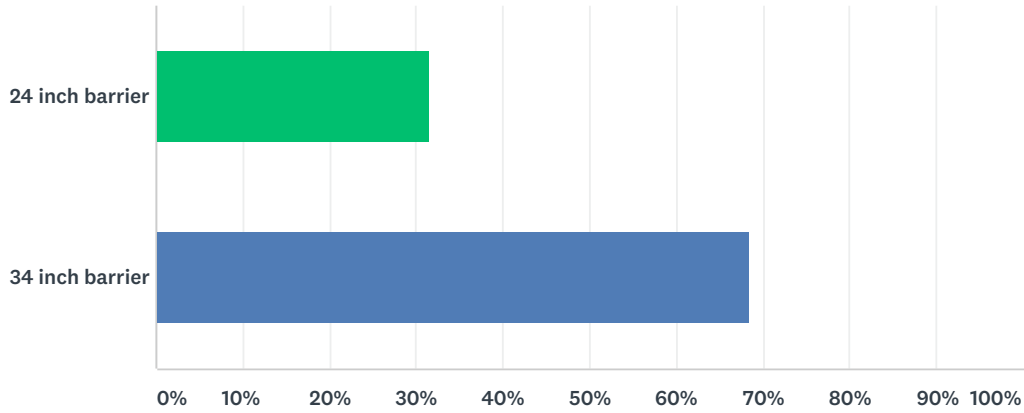

Answered: 596 Skipped: 0

ANSWER CHOICES	RESPONSES	
Vertical Lines	41.28%	246
Circle Design	57.38%	342
Other	1.68%	10
Total Respondents: 596		

Q4 Would you like the vehicle barrier height to be 24 inches or 34 inches? [NOTE: This element is still under design review. A 34 inch rail may not be feasible with crosswalks close to the ends of the bridge.]

Answered: 596 Skipped: 0

ANSWER CHOICES	RESPONSES	
24 inch barrier	31.54%	188
34 inch barrier	68.46%	408
TOTAL		596
